## News Story of the week

Within the next ten years, people may be able to travel between London and Sydney in just two hours by journeying through space on a sub-orbital flight. The current length of a traditional flight between London, UK, and Sydney, Australia, is at least 20-22 hours and usually entails a stop-off to refuel along the way. A sub-orbital flight involves launching a spacecraft to an altitude above the Kármán line (the boundary of space).

## Things to talk about at home ...

- > Share your experience of all the different types of transport you have encountered. E.g. bikes, cars, planes, ferries. Which is your favourite way to travel and why?
- > Do you think you would like to travel on a sub-orbital flight? Why?
- > How do you believe suborbital travel could change the world?

## Strikes

The NEU have proposed further strikes on 5th and 7th July. We will advise you as soon as we can if your child's class is impacted.

## IMPORTANT!!!

As Mrs Tucker will be away next week in Keswick on the Y6 residential there will be no Reception and KS1 choir. Please ensure you collect your child at the normal time on Tuesday. Thank you.

## Congratulations!

We are immensely proud of Eden, Y6, who has climbed Snowdon not once but twice this year! Right to the summit without a moan or a grumble. Eden also reached the summit of Scarfell Pike recently.

Eden is pictured here with her younger brother who attends Cuddington Primary School.

## New Reception class 2023

Cheshire Forest School are running a new Reception meet up on Friday 25th August 10am-11.30am. If you would like to attend please follow a booking link to their website [Sandiway Primary New Reception Class Meet Up - Booking by Bookwhen](#)

## Attendance

May I ask that all Parents and Carers take the time to review our Attendance Policy which can be found on our school website and a copy is also attached. We are seeing an increased number of children being late for school and also requests for term time absence. As a reminder:

- The school gates open at 8.45am. The gates will be locked promptly at 8.50am. The register closes at 8.55am. Please ensure your child is ready to come into school at 8.45am so they can register and prepare themselves for the day. This avoids disruption to classmates and lessons.
- Term time holidays will only be permitted in exceptional circumstances. We are seeing an increase of last minute requests sometimes on the day or parents turning up to take their children. A fixed penalty notice may be issued by the Local Authority as follows:
  - ⇒ 10 unauthorised consecutive absent sessions due to a family holiday.
  - ⇒ Where persistence absence is recorded as unauthorised
  - ⇒ The current rates payable by parents are £60 where the amount is paid within 21 days and £120 where the amount is paid within 21-28 days. This charge is per parent/carer per child. If the fixed penalty notice remains unpaid this could lead to prosecution in the Magistrate's Court.
